WELCOME

P.F. Chang's believes that variety is the hallmark of a great meal. Our menu offers culinary creations from the major regions of China, Canton, Shanghai, Szechwan, Hunan, Mongolia, as well as our unique specialties, which draw on a multitude of traditions to create a unique dining adventure.

FAN AND TSAI

The essential goal of a Chinese meal is to attain the harmony of taste, texture, color, and aroma by following the principles of fan (and tsai) loads. Fan loads include rice, noodles, grains and dumplings, while vegetables, meat poultry and seafood are tsai loads. Only the very best of fresh ingredients find their way to our kitchens. You can't help but notice a unique harmony and deliciousness of flavor. And no MSG is allowed by our chef in food preparation.

WINE AND CHINESE?

Absolutely. It's a perfect way to savor all the flavors of each of China's principal food regions. Your server can offer sophisticated recommendations from our extensive wine list for the ideal selection. And make sure to sample our specially blended teas. They are the perfect complement to our one-of-a-kind dessert creations.

PREPARED FOR YOU

We are proud of our food preparation techniques. Each dish is prepared to order using only the freshest of ingredients. Ask questions. Their responses are a remarkable blend of Chinese cuisine and American hospitality. The delicious harmony of P.F. Chang's China Bistro.

YOU ARE SURROUNDED

By a unique environment combining the best influences of Chinese and American cultures. As you dine in comfort, enjoying the finest traditions of American hospitality, you are also aware of the mystery and legend of a people thousands of years old. You're welcome.

FROM THE MOMENT

You enter P.F. Chang's China Bistro, everything you see from the Mural to the Menu tells ancient stories of Emperors, gods, dragons and more to tell.

THE SCULPTURES

are illustrations of those unearthed in the ancient city of Lu in 1986, dating back to the 11th Century B.C. They depict a time when kings proudly guarded the Great Ling Museum during the T'ang Dynasty, when royal banquets were attended by the nobles of the empire and where stone figures of warriors were buried with Emperors in place of retaining the ruler's actual remains. Now, it's you.

LOOK TO THE MURAL

Illustration gives way to meditation in this symbolic, metaphorical, and spiritual work. The mural is a masterpiece of a kind of art that is rare and precious. The challenge for our artist was to achieve a blend of the magnificence of a very small, yet great, work of art.

THE MENU SPEAKS

In its Chinese symbols, each with a variety of meanings when read alone, but presenting a specific meaning when combined. Look at the front of the menu. The symbol character represents all things rich and often represents China. Behind the symbol figure usually means an intimate, casual place to enjoy fine dining. Combined on the front of our menu, these characters can be read to mean "A Great Feast."
